PSSP D12 EMERGENCY EXECUTIVE MEETING

MINUTES

October 3, 2015

Present: Olga De Melo, Nancy Vogel, Sharon Grant, Renee Phillips, Veronica Montague, Michelle Pagnello, Richardo Harvey, Sheida Shahramian,

An emergency meeting was called to discuss sanctions brought down by OSSTF-Provincial Bargaining Committee and the Job Action which takes effect on Monday October 5, 2015, after talks broke off at the Central Table. The Vice President stated she will be informing the membership no later than Sunday October 4, 2015 via website and private email as there are no more bargaining dates scheduled. A list of the sanctions were given to the Executive members.

It was stated that the release of information to the membership must be first vetted and approved by Provincial which may be a slow process going forward.

The Vice-President/Chief Negotiator proceeded to explain PSSP concerns at the Bargaining Table. This portion of the meeting was in Executive Session.

It was reported to the PSSP Executive that the Provincial Executive is requesting that PSSP selects its Strike Captains and form a Rules Committee for Sanctions. The Rules Committee will be responsible for enforcing Sanction rules for members who disregard the Sanctions; in place members can face consequences. The PSSP Executive proceeded to appoint members to form the Rules Committee and Strike Captains due to the short notice given by Provincial Office.

Rules Committee: Yvonne Wyndham, Renee Phillips and Heather Johnson

Strike Captains: Sharon Grant for the West and Richardo Harvey Strike Captain for the East
It was further stated that the Bargaining Unit President and Sharon Grant, Executive Officer, will be at the West Office at 1 Civic Center Court to explain the sanctions for those who had questions.

The Vice-President and any other Executive Officer who volunteers, will be in the East Office at 140 Borough Drive to explain Sanctions for those members in the East that may have questions or need clarification.

It was explained to the Executive that one of the Bargaining Unit ideas around generating support from our colleagues is PSSP members wearing their PSSP black t-shirts, hats, a pink t-shirt or purchasing pink ribbons on Solidarity day Friday October 9, 2015.

The meeting continued with more discussions about the Sanctions, the Federal Elections and Solidarity day.
